Executive Engineer
WBSRDA, Cooch Behar-II Division

: SPECIAL TERMS AND CONDITIONS:

1. Fixing of Informatory Signboard & taking of Photographs and CD at own cost & effort of the successful Tenderer (Contractor) are precondition of this Tender. This end will make no extra payment to these effects to the contractors.
2. The Contractor should fix the Informatory Signboard at a visible point at the site of work before commencement of the work as per instruction of the Undersign.
3. The contractor should take photographs/CD of the work in three phases. ***First*** before commencement of the work. ***Second*** during execution of the work and ***Finally*** after completion of the work at his own cost & effort and submit all the photographs to this office periodically.
4. In addition to the normal deductions towards taxes, royalties etc. from the bills being paid to the contractors against the work being executed, deduction of additional amount regarding cess @ 1% (At the Rate of One Percent) only of the bill value will be made towards the "Building and other construction workers Welfare Cess Act" as per order of the Finance Deptt. Govt. of West Bengal.
5. A retention towards security amounting to 10 (Ten) percent (including earnest money) of the billed amount shall be made by the Executive Engineer/District Engineer in the first. The agency has executed and completed the works rectified any defect therein to the satisfaction of the Executive Engineer in charge. After expiry of 1 (one) year for bituminous road work from the date of completion of the work certified by the respective Sub-Asst. Engineer & Assistant Engineer, the security will be repaid to the Agency.
6. The contract will not attract any arbitration clauses and the contract will not include any clause towards escalation of price.
7. Hand for installation of machineries have to be arranged by the Agency. However, if there the any separable Govt. land, the same may be given for the purpose on rental basis as per rent fixed by L.A. collator of the district/appropriate competent Authority.
8. During the execution of the works of roads the agency shall keep at the site reasonably free from all unnecessary obstruction for that purpose if required shall arrange for removal of structures, encroachments etc. at this own cost.
9. No additional or substituted item of work will be executed by the agency without prior approved of the Engineering-in-charge (E.I.C). Additional or substituted items will be paid at rates as per schedule of rates of SRDA Deptt. in vogue at the time of entering into contract. If rates of such item do not appear in the schedule of either SRDA Deptt. or cannot be derived from them the Executive Engineer will decide the rate on the basis of market rates of various components with 10% profit & overhead charges and the decision of the Executive Engineer will be final and binding.
10. The Agency is liable to maintain the road and keep the road traffic worthy till handing over the road completion of the work. No extra cost will be paid on this account.

The agency will submit a work programme (Bar Chart) to the E.I.C. within seven days from the date of work order indicating date of completion of various phases of work and strictly comply with the schedule. Also one Triplicate site order book should be used at works site for execution the works. This has been duly signed by the E.I.C. before starting of work.

11. All materials brought to the site must up to the standard quality and must be approved by the E.I.C. Rejected materials must be removed by the agency at his own cost from the site within 24 hours of the issue of order to that effect. The agency shall not be entitled to any claim for loss or damage which may be caused by such removal.
12. Before starting of work, work site where necessary, must be properly dressed after cutting, clearing and cleaning all varieties of jungles, shrubs or any undesirable vegetation & all unserviceable materials from the alignment or site of works for which nothing will be paid extra unless specify provided in "price schedule of probable items with approximate quantities".
13. All risks on accounts of railway or road carriage or by boat including loss or damage of vehicles, boats, barges, materials or labours will have to be borne by the agency.
14. The work must have to be completed in all respects within the time specified in notice inviting Tender from the date of work order. Time for completion as specified in the tender shall be deemed to be the essence of the contract.
15. Monthly Running Account Bills may be made satisfactory progress of work and within the availability of fund.
16. Bitumen Challan for VG 30 grade Bitumen and Bitumen Emulsion (SS-1 and RS-1) have to be submitted during Final Bill. No other challan except from IOCL will be allowed for VG 30 Grade Bitumen and challan for Bitumen emulsion (RS-1, SS-1) other than IOCL may be accepted if proper paper regarding quality standards of Bitumen emulsion is placed along with.

17. To rescind the contract (of which rescission notice in writing to the contractor under the hand of the authorized Executive Engineers shall be conclusive evident) and in which case the security deposit of the contractor shall stand forfeited & be absolutely at the disposal of WBSRDA, Murshidabad Division.
18. The successful Tenderer will have to abide by the provisions of West Bengal Contract Labour Rules, 1972 as will be forced from time to time. If no labour license is obtained and produced by the contractor, payments is liable to get withheld.
19. Bitumen is to be supplied by the agency at his own arrangement and valid document is to be submitted. After completion of the work.
20. All the works are to be executed according to drawing specification approved by the authority & the direction of the E.I.C. is to be strictly flowed.
21. Incomplete tender will be rejected summarily. The successful Tenderer will have to execute a formal agreement on a non-judicial stamp paper worth Rs.10/-within 7 (seven) days from the date of issue of Letter of acceptance.
22. As per rules framed under the building & other construction workers Act 1996 and the building & others construction workers Cess Act 1996 deduction applicable towards payment of Cess will be made from the bill of the agency along with other statutory deduction.
23. The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to comments work is given to the contractor. The work shall throughout the stipulated period of the contractor be produced with all the due diligence time being deemed to be the essence of the contract, on the part of the contractor and the contractor shall pay as compensation as amount equal to one percent of such smaller amount as the Executive Engineer (whose decision in writing shall be final)may decide on the amount of the tender amount of the whole work as shown by the tender for every day at the remains uncompleted or unfinished after the proper dates. The contractor shall commence execution of such part of the work as may be notified to him within 7 (seven) days from the date of the order of commencement of work and diligently continue such work and further to ensure good progress during the execution of the work and the shall be bound in all cases in which the time allowed for any work exceeds one month to complete one fourth of the whole work before one fourth of the whole time allowed under the contract has elapsed in the event of the contractor failing to comply with any of the condition here shall be liable to pay a compensation an amount equal to one percent or such smaller amount as the Executive Engineer (whose decision in writing shall be final) may decide on said tendered amount of the whole work for a every day that the due quantity of work remains incomplete provided always that entire amount of compensation to be paid under the provision of this clause shall not exceed 10 percent on the tender amount of the work as shown in tender.
24. The employer may terminate the contract and forfeit the Security Deposit if the contractor causes a fundamental breach of the contract. Fundamental breaches of contract shall include but shall not be limited to the following-(i) The contractor stops work for 28 days when no stoppage of work is shown on the current Programme and the stoppage has not been authorized by the Engineer.(ii) The contractor is declared as bankrupt or goes into liquidation other than for approved reconstruction or amalgamation .(iii)The engineer gives Notice that failure to correct a particular defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Engineer. (iv) If the Contractor has not complete at least thirty percent of the value of construction work required to be complete after half of the completion period has elapsed. (v)A show cause notice shall be served to the contractor before termination for not obeying the contract.
25. The Contractor must submit prayer for Extension of time with proper reason before 15 days of schedule date of completion of work if he can not complete the work within schedule time. Employer may approve extension of time maximum to 15 days beyond schedule date of completion if there is proper justification of delay of work. Allowing E.O.T is Employer's decision solely.
26. (a) Milestones to be achieved during the contract period
 (1) $1/8^{\text{th}}$ of the value of entire contract work up to $1/4^{\text{th}}$ of the period allowed for completion of work, (2) $3/8^{\text{th}}$ of the value of entire contract work up to $1/2$ of the period allowed for completion of work, (3) $3/4^{\text{th}}$ of the value of entire contract work up to $3/4^{\text{th}}$ of the period allowed for completion of work.
 (b) Amount of liquidated damages (LD) for delay in completion of works: For whole of work 1% of initial Contract Price rounded off to the nearest thousand, per week.
 (c) Maximum limit of liquidated damages (LD) for delay in completion of works: 10% of the initial Contract Price round off to the nearest thousand.
27. The contractors are requested to inspect the site of work and acquaint themselves with the difficulties and peculiarities as prevailing at the site of work and quote their rate accordingly. All the works are located in difficult areas and so the inspection is vey essential. No claim for any additional charges for such difficulties and peculiarities at the site of work, if any shall be entertained after acceptance if tender. No price preference will be allowed for participation in the tender for the works under reference.

28. The rates once offered by the contractors cannot be withdrawn and the same shall be kept valid for three months from the date of submission of the tender.
29. The successful Tenderer shall within seven days of the receipt of the intimation letter regarding acceptance of the tender, shall execute an agreement in slandered form in non-judicial stamped paper worth of Rs. 10/- as per contractual rates failing which the tender shall be liable to termination without any further reference and the deposited earnest money shall be forfeited.
30. The successful tenderer must submit Security Deposit in form of **Bank Guarantee/Fixed Deposit from any nationalized Bank** for 2% of Awarded Cost after signing the agreement of the work and rest amount of 8% to make up the total security deposit of 10% on the value of work as per tender rates shall be realized from the progressive bills. The security may be extended upto 20% as per discretion of E.I.C.
31. NQM/SQM inspection for works may be required as per direction from P&RD HQ, Kolkata. The Contractor should arrange all necessary requirements for NQM/SQM inspection at his own expense this end will make no extra payment to these effects to the contractors.
32. The security period of the work will be one year from date of issuance of completion certificate of the work.
33. **Time is the essence of the contract.** The time stipulated shall be reckoned from the date of issue of work order. Completion includes final clearance of the site.
The time specified for completion shall be strictly adhered to and the contractor must not modify or change the date while submitting tender. If any counter date is mentioned by the contractor in the tender, the same shall not be considered.
34. The value of item of work and quantities shown in the estimate and / or schedule of probable items for the work may be appreciably increased or decreased at the discretion of the E.I.C and in that case also the contractor shall be bound to execute such increased or decreased quantities of work at he accepted tendered rate and shall abide by the terms and conditions of the contract.
35. If not otherwise specified in the estimate schedule or tender documents the contractor shall arrange clearing of jungles etc. and provide all pegs, Jhandies, ropes etc. for setting out and leveling, at his own cost and expense as may be necessary. Site Order Book is also to be maintained at their cost which should be submitted to the Executive Engineer after completion of the work.
36. The acceptance of the tender shall rest with the competent authority who does not bind himself to accept the lowest tender and / or to reject any or all the tenders and to distribute the work between one or more contractors without assigning any reason therefore.
37. Penal Action, if required will be taken as per norms of PMGSY.
38. Payment will be made to the agency according to the availability of fund.
