

Press Note

In different parts of the State, there have been apprehensions expressed by the polling officials in training classes concerning their safety and security. It is hereby stated for information of all that there shall be adequate security arrangements at the Polling Stations under the direct superintendence and control of the Election Commission of India to ensure safety and security of the Presiding and Polling Officers and all other personnel associated with the election process and deputed on duty during the ensuing Lok Sabha Elections, 2019. It is reiterated that the safety and security of Polling Officers on duty is attached highest priority by the Election Commission of India in their discharge of duty.
